## Prescott Valley Police Commendation Information

*"Our mission is to protect life and property through innovative policing, community partnerships and professional law enforcement."*

*"Our vision is to be recognized as a leader in professional, innovative policing. The hallmark of our leadership will be the cooperative spirit we employ with our citizens to make Prescott Valley a safer place to live, work and play."*

The Prescott Valley Police Department takes its responsibility and commitment to our citizens very seriously. The officers serving your community are members of the community they serve. Officials in law enforcement are asked to perform a difficult and very necessary service to the community. The ones who take on this responsibility do so with a commitment to excellence; desire to serve their community and a profound sense of pride for the profession.

These efforts often go unnoticed as we set the bar high for officer conduct, expectations and performance.

Feedback from our citizens is welcomed to ensure we are holding to the mission and vision for the public safety efforts in our community and to all who visit, work, live and thrive in this great town.
