Entertainer Requirements

As you may guess, we have very limited spots. We are taking application for the Main Stage, Entertainment Tent, and Street (Adult and Children Entertainment). We hope to make this year's celebration the best ever, and we are looking for exceptional entertainment to do so. We are a family oriented event. With that in mind, we have guidelines we must meet for the community:

We are looking for performing groups that are and/or have:

1. "Team Players" with positive attitudes!
2. Any and all music or entertainment styles and genres.
3. Professional looking performance with professional behavior.
4. A quality act that is interactive with the audience!
5. Understanding of the logistics of a professional festival (no you will not be able to park all day at the entertainment parking lot, or drive your vehicle right up to the stage, and although we offer assistance . . . you may have to haul some gear)
6. An understanding that if your "Performing Group" is not family entertainment (profanity, nudity, racial slurs, etc.) you will not be considered.
