5. Financial Review – Joslyn Joseph, Circulation and Cataloging Manager reported:

a. Budgets

- i) The Prescott Valley Public Library has received a 2% operational budget increase for the next fiscal year 2019-2020, beginning July 1, 2019. Casey Van Haren, Library Director will be meeting with Bobby Kieren, Public Services Manager and Joslyn to determine how to distribute the money based on the Community Survey results.

b. Grants

- i) The library is applying for a new grant called Vision of Vets. It is a grant to purchase photos of vets with a QR code which is embedded in the photo. Once the code is scanned it will bring the vet to life with their unique service story.
- ii) Libraries to You Grant – This is a grant for a book delivery service that was discussed at the February 12, 2019 Library Board Meeting and unfortunately the library has determined that it will not be feasible and will not be applying for this grant.

c. Monthly Report

- i) **Door Count** - There are some discrepancies in the door count and Joslyn is working with Techlogic to correct this. The system is not recording the door counts correctly.
- ii) **Snow Days** – Joslyn reported that Casey wanted to let the Board know that the Town Manager decides whether or not the library will be open or closed in the event of an inclement weather.
 - (a) We were open on Thursday, February 21, 2019 until 3:30 p.m.
 - (b) Closed all day Friday, February 22, 2019.
- iii) Larry inquired about the Checkout number data of 363%. Joslyn explained that in the beginning of the fiscal year, data gathering for checkout information was updated because it was determined that statistics from other stations were not being included. The update is showing a better indicator of actual checkouts.

6. Management Report

- a. Deborah Pfingston has been hired as the new Library Assistant and will start March 11, 2019.
- b. Carol Swenson resigned as a Library assistant and is now the contracted Computer Instructor and her start date is today March 5, 2019.
- c. Diane Milinkovich's last day is this Friday March 8, 2019.
 - i) Her position has been posted and has been revamped. The position has been posted for a Community Engagement and Marketing Librarian. It is more of an Outreach Librarian Position. The first application review date is March 12, 2019.
- d. Railing (In front of the Book drop and Drive-Up Window) – A solution would be to extend the railing as opposed to higher.
 - i) Larry stated that the railing should be raised so it can be seen well in relation to the drop off slot.

- (a) Bobby stated that he spoke to Josh Newsham, Facilities Supervisor, about extending the length of the railing. Josh's response was he would not be able to raise the railing because the purpose of the railing is to have it at the tire level of the vehicle so if the vehicle hits the railing, it will not damage the vehicle. If the railing is raised, it could damage a patron's vehicle and the library could be held liable.
- (b) Patrons need to be reminded to be more mindful in that area and they need to slow down.
- e. Casey & Michele Hjorting, Adult Services Librarian, are attending a Research and Public Libraries Institute Workshop in Salt Lake City Utah today 3/5/19 through Friday 3/8/19. This is a workshop to develop their skills in evaluation, data planning and management. They will be learning how to demonstrate the impact our library has on our stakeholders and community.
- f. Security - After careful budgetary consideration, it has been determined that the library will not be able to afford the Overtime for off-duty police officers. The library will retain Capitol Guard as security service provider deploying only one guard.
- g. The renaming of the Genealogy Room – Casey will be reaching out to Stuart Mattson, retired Prescott Valley Public Library (PVPL) Director, to complete her documentation process in renaming the room.
 - i) Tess Willis, Administrative Assistant, stated that the renaming process requires submitting an application form to the Parks and Recreation Commission. The Commission evaluates the application and either approves or declines the request.
 - (a) The request needs to be placed on the Parks and Rec Commission meeting agenda.
 - (b) Sharon Peterson, Friends of the Library (FOL) President, suggested a QR Code be placed on the room's nameplate so patrons will know the background story of the room.
 - (c) Donna stated that when she was on the Library Board of Trustees previously they were not allowed to name a room for people at that time.
 - ii) Workplace Violence – Diane Russell, Town Clerk, maintains that the town will continue to with its Run, Hide and Fight strategy. The town will run another round of employee training. Tess will send a link to the video for the Board members to watch. Casey's idea is to have a security consultant come in and assess the library's building layout and provide recommendations specific to the library.
 - (a) Tess will probably have an update at the next meeting regarding the budget and if hiring a consultant is feasible.
 - (b) Diane asked if someone on our Police Department has experience in this field. Tess responded that information they obtained from the Police Department is not specific to the library setting.
 - (c) Donna indicated that there are many retired police officers in the area and wondered if there is someone that is retired that might have security consulting expertise. She also indicated that there is a motorcycle organization called The Blue Knights that also could be a resource. Tess indicated that she is looking for established security agencies and is also checking with other similar but private non-profit organizations that might be able to help. Donna stated that a professional service would be preferred, but if it is cost prohibitive, we should seek out these other organizations.
 - (d) Larry inquired if we have been able to contact other area libraries for recommendations or to share policies that they have in place.

- (e) Sharon wondered if there are other libraries in the area that have the same need and inquired if we could share the expense of a consultant with them.

7. Friends of the Library Liaison – Sharon Peterson, Friends of the Library President reported:

- a. Mayor Palguta drew the name Eileen Schick as the winner of the raffle basket.
- b. The dotting system is going well and the red dots are going on sale for two weeks and begins today 03/05/19.
- c. Sharon is working on continuing to increase the Friends of the Library membership. Stuart was invited to the last FOL Board meeting and he provided several ideas that involve both the town and library, including utilizing their newsletters. Another idea is to tie the Friends' Membership Card (which offers a 10% discount in the bookstore) to area shops and restaurants that would agree to provide a discount when the Friends Membership card is presented. Sharon is meeting with Casey and Stuart to discuss ideas for membership on Tuesday, March 12, 2019 at 10am.
- d. The FOL Book Sale will be held on October 4 – October 6, 2019 in both the Crystal Room and the Glassford Hill Room.
- e. There has been approval for a new printer.
- f. Fry's Community Rewards is a program that needs to be renewed annually. If our library patrons go online to the Fry's website they can enroll and select the Prescott Valley Friends of the Library to be a recipient for donations. Friends will need to reach a minimum of \$25.00 each cycle. There are 4 cycles per year. If the minimum is not met within a cycle, the amount will be rolled over to the next cycle. Sharon expressed that this is something that can be done that costs our patrons nothing & we need to find a way to communicate this information.
 - i) Diane asked if the Fry's Community Awards is something that can be communicated during the radio appearances. Bobby agreed that it can be and it's a good idea and can be part of a campaign to push the information out and can include flyers. Sharon would like staff members to be available to assist patrons with signing up.
- g. Amazon has a similar program called Amazon Smile and donates 0.5% of the purchase price of eligible products to the charitable organization of your choice.
- h. Friends of the Library Volunteers – We now have 9 new volunteers and Sharon is meeting with 6 volunteers today at 10:30am. They will assist with "dotting" books for the new inventory control system. Sharon stated that Shannon has done a wonderful job obtaining volunteers and that Diane has been training them.
- i. Donna inquired about the Little Community Libraries in the area and suggested donating books, particularly children's books to them as opposed to Goodwill. Diane responded that the Friends donate children's books to the area schools. Diane has been with the Friends since 2015 and they are on their 3rd school. Many schools do not have budgets for library materials. Most of the books will be saved until after the October 2019 Book Sale. It was suggested that if anyone knows someone that is interested in obtaining some of the FOL books, to please give them Sharon's phone number and she can make arrangements for special access to the books and have them come in before the end of the book sale. The FOL would prefer to have the books used in the community. Donna would like to provide books to the Little Community Libraries after the sale that have a tag on them that state they were provided by the Prescott Valley Friends of the Library. It would be a good way to advertise Friends and an outreach into

the community. Diane stated that the bookstore receives a lot of duplicates and those are items that can be donated to the Little Community Libraries.

- a. The By Laws were signed by the Board members in attendance today.

 - i) Mary Jo attended the town hosted Community Events Forum on March 1, 2019. She reported that the meeting was a way for community members to share their ideas for ways to bring in different events and activities to Prescott Valley. The meeting was well attended by community members. A lot of ideas were presented for the town to consider.
 - ii) Kathy asked if there is anything coming up in March that the Board should consider attending. Tess responded that there is nothing scheduled so far, in the Town Council's agenda.
- c. National Trustee News Items – Nothing to Report
- d. Security for the Library Building –
 - i) Bobby reported that the library will retain Capitol Guard as the security service provider. They will provide one guard. It was requested that the guard patrol more often, particularly the 4th floor landing. Staff has also been instructed to perform more walk arounds in areas of concern.
 - (a) Larry inquired if there has been specific training on our staff on what to do in the case of violence in the library. Bobby stated that The Run, Hide, Fight training took place 2 years ago and it recurs every two years. The training aims to empower employees to handle that situation. No date has been set for the 2019 training. Larry wondered what if someone rings the back doorbell and is concerned about what we do if that person has bad intentions. Somebody typically just opens the door.
 - (b) Tess stated that the library has taken the first step by reaching out to Risk Management. The video training is a mandatory onboard training for new employees. The library is taking the initiative to pursue something specific to the library. The output of which is to get some recommendations from a security consultant which will include staff training.
 - (c) Diane said that it should not just be employees, but should include volunteers.
 - ii) Workplace Violence Policy and Procedure – discussion on Trustees' feedback and recommendations for changes, additions to Town policy and Procedure due to submission to Karen Smith on today March 5, 2019. No changes were recommended by the Board.
