5. Director's Report: C. Van Haren, Community Services Director

Director Van Haren stated that she is aware there was a lengthy discussion at the last work study regarding reinstating the Commission to a full seven voting members as planned by Vice Mayor Lori Hunt. The reason for the proposed change is based on attendance, which is extremely important to having a good working and effective commission. The Commission cannot conduct business without a quorum. All the Boards, Commissions and Council in the Town of Prescott Valley consist of seven voting members and Vice Mayor Hunt wants to keep that consistency.

Director Van Haren and Coordinator Chewing spoke with Vice Mayor Hunt and the Vice Mayor is willing to hold off on that change until the Commission reconvenes for the new fiscal year meetings in August 2021.

Commissioner Lira asked if a member could attend via telephone conference if they are traveling. Director Van Haren confirmed that currently it is still permissible to attend a meeting via teleconference and count as a quorum. Commissioner Lira then asked if everyone had to physically be at the August meetings. Director Van Haren stated that members should attend every meeting and to keep in mind that in the future the commission will return to seven voting members.

Commissioner Lira asked if there is a way for the commissioners to record their volunteer hours on the commission. Administrator Arnold stated that the meeting hours are recorded in the minutes, and that Coordinator Chewing records the committee meeting volunteer hours each month.
