

The Prescott Valley Fine Art Showcase 2020: Building Community

Application Packet

Call To Artists:

The Prescott Valley Fine Art Showcase is an annual juried 2D and 3D art show in the Prescott Valley Public Library sponsored by the Arts and Culture Commission. With this showcase, the Arts and Culture Commission seeks to highlight the expansive and diverse local talent that we have in Northern Arizona.

Theme:

The 2020 theme for the Prescott Valley Fine Art Showcase is “Building Community”. What does “Building Community” mean to you? Art binds people. It generates social capital and strengthens a community’s character. Art brings people together physically—at galleries, museums, performance spaces—and culturally, through its capacity to tell a community’s shared story, to inspire reflection, and form connections that transcend differences. Please explore the theme “Building Community” in your work for the Prescott Valley Fine Art Showcase. All submittals will be considered for entry into the show based on thematic relevance.
