

**Certified Backflow Prevention Assembly Testers  
As of September 2020**

Below is a list of certified backflow assembly testers in which none are personally endorsed by the Town of Prescott Valley. You may choose one of the testers from this list, or you may choose another certified tester. The Town of Prescott Valley must have on file; a copy of the tester's certification, the tester's certified test kit(s), the calibration certificate, and a copy of the tester's Town of Prescott Valley business license.
