## Growing Prescott Valley

### Memorial Tree Donation Program

For the past 15 years Prescott Valley has been honored as a national Tree City USA. Help the Friends of Prescott Valley Parks and Recreation continue to beautify our community through the Memorial Tree Program.

This 501C3 organization gives you the opportunity to remember a loved one in a very special way by planting a tree in his or her honor. As an added remembrance, a plaque can be installed near the tree.

of Prescott Valley Parks and Recreation

### Volunteer Opportunities

#### Adopt-A-Park Program

Prescott Valley's Adopt-A-Park Program allows citizens, and particularly park users, to show pride in their community. It is designed for groups to visit the park of their choice on a regular basis to pick up litter and to perform other tasks to help keep the park clean. Local service organizations, youth organizations, church groups, and neighborhoods, can have fun while providing a community service. By adopting a park, citizens are making their parks more beautiful, and are extending tax dollars by allowing park staff to focus on major renovation, repair and maintenance work.

#### General Volunteerism

Do you like working with children, attending arts and crafts shows, working outdoors? Whatever your background expertise, we have a job for you! The Parks and Recreation Department can always use assistance from the public to run events, programs, and in the parks.

#### How to join:

Submit a volunteer application to Prescott Valley Volunteer Central online at [www.pvaz.net](http://www.pvaz.net). Training takes place following an approved background check included in the volunteer application. Volunteer Central is located in the Civic Center Third Floor, 7501 E. Skoog Blvd., or Human Resources, 4th Floor, from 8 a.m. to 5 p.m. Monday through Friday. For more information, call Volunteer Central, 928-759-3123 or email [hfooster@pvaz.net](mailto:hfooster@pvaz.net).
